

CONDITIONS OF PARTICIPATION

Motion Graphics Review Students will be a section of ArteryProject, international moving art show from Barcelona. Call for entries are open until 12th November to students of design, cinema and art universities worldwide without any limit of pieces to be presented. The selection of pieces will be show during in ArteryProject from 12th to 15th December. Selected pieces could be presented in other festivals where this section collaborates. Selected pieces would be used only as part of the Motion Graphics Review and shown in private spaces. Selected pieces could be edited in a dvd indicating the credits with the author. There will be no TV Broadcast and internet hosting of the pieces without authorization of the students participating asked below. The information sent with the selected pieces will be included in the official catalogue and website. This section has not reward by the moment but, would have the right to give prizes or compensate winners for categories depending on the sponsors supporting the show.
